MEMORANDUM FOR: Management and Organization Division Office
of the Chief Financial Officer/Chief
Administrative Officer

FROM: W/WR - Vickie Nadolski

SUBJECT: Rescission of Western Region Supplement
5-2002, "Responsibilities Related to Dam
Failures", application to 10-911 and 10-921,
Dated December 19, 2002

The Western Region Hydrology and Climate Services Division is rescinding National Weather Service Supplement 5-2002, "Responsibilities Related to Dam Failures", applicable to 10-911 and 10-921. The latest version of Directive 10-921 has incorporated material from the 5-2002 Supplement, and it is no longer required.
